Key Concepts for You!

3 Ways to Facilitate Collaboration with MeetingSphere

Face-to-Face Mode

Asynchronous Mode

USA (Mon-Wed, CST)

Poland (Sun-Tue, CEST)

Australia (Tue-Thu, ACST)

USA (Mon-Wed, MST)

Synchronous Mode

USA (3pm-5pm, CST)

Poland (10pm-12am, CEST)

Australia (6am-8am, ACST)

USA (2pm-4pm, MST)

Facilitate Synchronous Virtual Meetings

Benefits for virtual teams meeting simultaneously:

- ▶ Reduces travel & scheduling issues
- ▶ Enables many-to-many participant interaction
- ▶ Minimizes impact of dominant talkers
- ▶ Fosters thorough issue analysis
- ▶ Reduces premature decisions
- ▶ Creates culture of inclusion
- ▶ Helps clarify outcomes
- ▶ Facilitates action planning

**Synchronous Meetings
Same Time, Any Place**

Chicago, Illinois 3pm-5pm

Warsaw, Poland 10pm-12am

Adelaide, Australia 6am-8am

Phoenix, Arizona 2pm-4pm

Facilitate Asynchronous Virtual Meetings

Benefits for virtual teams meeting within a time-box:

- ▶ Reduces scheduling conflicts
- ▶ Overcomes geographic barriers
- ▶ Eliminates time constraints
- ▶ Broadens stakeholder participation
- ▶ Enables best practice deployment
- ▶ Surfaces overlooked issues
- ▶ Supports shorter meetings
- ▶ Optimizes participant time

**Asynchronous Meetings
Any Time, Any Place**

Chicago, Illinois Mo-Tu-We

Warsaw, Poland Su-Mo-Tu

Adelaide, Australia Tu-We-Th

Phoenix, Arizona Mo-Tu-We

Facilitate Face-to-Face Meetings

Benefits for in-person meetings (planned or ad hoc):

- ▶ Optimizes brainstorming & list building
- ▶ Permits anonymous or attributed participation
- ▶ Tabulates & displays voting results instantly
- ▶ Eliminates post-it & flip chart transcription
- ▶ Automates data management & archiving
- ▶ Diminishes boss bias, self-censorship, group think
- ▶ Facilitates rapid decision making
- ▶ Provides on-demand reports

Face-to-Face Meetings
Same Time, Same Place

MeetingSphere Common Elements

- ▶ **Configured for one or more Hosts (Session Leaders)**
 - ▶ Flat subscription rate for Host (Session Leader)
 - ▶ Hosts May Convene:
 - ▶ Unlimited Number of Meetings/Sessions
 - ▶ Unlimited Number of Participants*
 - ▶ *Portable Servers pre-configured for specific Numbers of Participants per Host
 - ▶ No subscription required for Participant Use
 - ▶ Re-usable template development
 - ▶ Self-service online subscription administration
 - ▶ 24 x 7 x 365 Accessibility – (SaaS from the Cloud, In-House or Portable Server)
 - ▶ 24 x 7 x 365 Application Monitoring – Extremely High Security levels
 - ▶ Nothing to install or download
 - ▶ Browser Independent (Chrome, Firefox, Opera, Safari, Internet Explorer)
 - ▶ Computer Independent – PC or MAC
 - ▶ Tablet Independent – Android or iPad (with Puffin Flash Browser)
 - ▶ Standard Port Connections - http: (TCP 80), https:(TCP 443)
- ▶ **Seven levels of MeetingSphere Solutions**

Solution 1 – SaaS from the Cloud (Stand Alone)

▶ MyMeetingSphere – Single Host Subscription

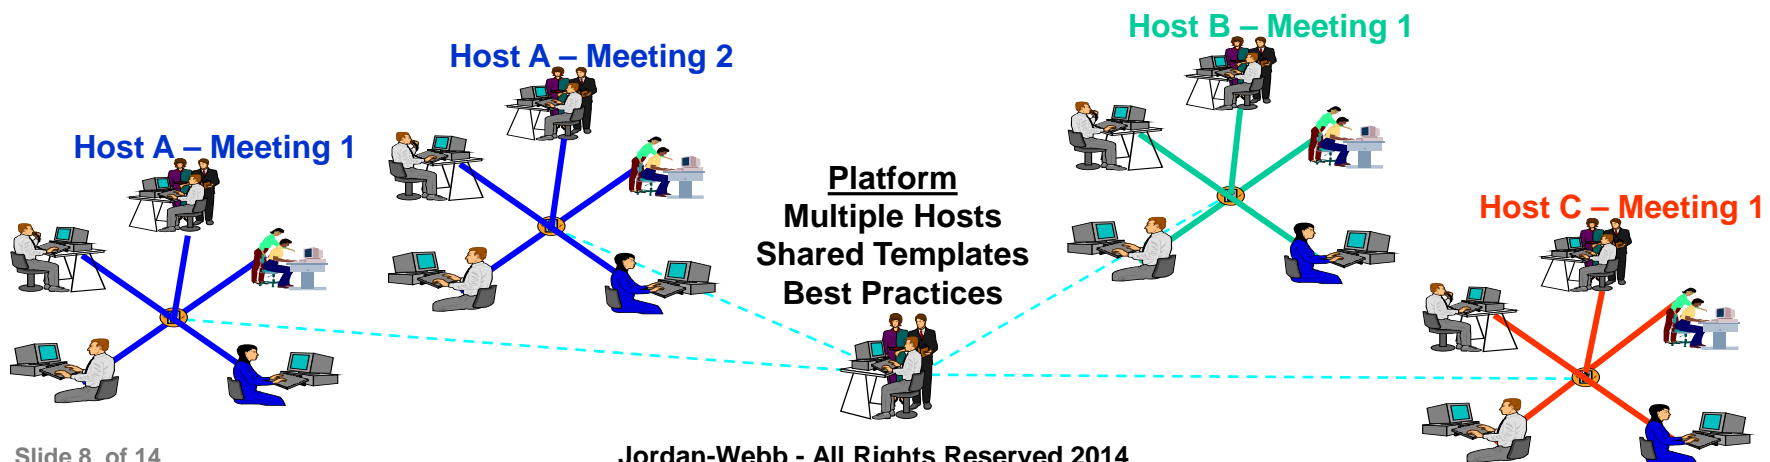

- ▶ Entry Level Option for Consultants, Associations, Small Businesses
- ▶ Subscription for One Host
 - ▶ Unlimited Number of Meetings
 - ▶ Unlimited Number of Participants
 - ▶ Online Self-service Administration (Credit Card/Invoice, Monthly/Annually)

- ▶ **Business MeetingSphere – Multiple Host Subscriptions**
 - ▶ Business-Level Scalability for Organizations
 - ▶ Subscription for multiple Hosts (Volume Discounts)
 - ▶ Unlimited Number of Meetings
 - ▶ Unlimited Number of Participants
 - ▶ Online Self-service Administration (Credit Card/Invoice, Monthly/Annually)
 - ▶ Subscription for MeetingSphere Platform
 - ▶ Collaborative features Between Hosts, Custom Branding, Best Practice Management

Solution 3 – SaaS from the Cloud (Platform)

- ▶ **Enterprise MeetingSphere – Multiple Host Subscriptions**
 - ▶ Enterprise Class Functionality and Scalability
 - ▶ Subscription for multiple Hosts (Volume Discounts)
 - ▶ Unlimited Number of Meetings
 - ▶ Unlimited Number of Participants
 - ▶ Online Self-service Administration (Credit Card/Invoice, Monthly/Annually)
 - ▶ Subscription for MeetingSphere Platform
 - ▶ One-Time Setup Fee
 - ▶ Collaborative features Between Hosts, Custom Branding, Best Practice Management
 - ▶ LDAP integration for user database, dedicated web application & database

Solution 4 – SaaS from the Cloud (Platform)

- ▶ **Managed Enterprise Server – Multiple Host Subscriptions**
 - ▶ Enterprise Class Functionality and Scalability
 - ▶ Subscription for multiple Hosts (Volume Discounts)
 - ▶ Unlimited Number of Meetings
 - ▶ Unlimited Number of Participants
 - ▶ Online Self-service Administration (Credit Card/Invoice, Monthly/Annually)
 - ▶ Subscription for MeetingSphere Platform
 - ▶ One-Time Setup Fee
 - ▶ Collaborative features Between Hosts, Custom Branding, Best Practice Management
 - ▶ LDAP integration for user database, dedicated web application & database
 - ▶ Dedicated server, update timing control

Managed Server

Solution 5 – In-House Internet / Intranet Server

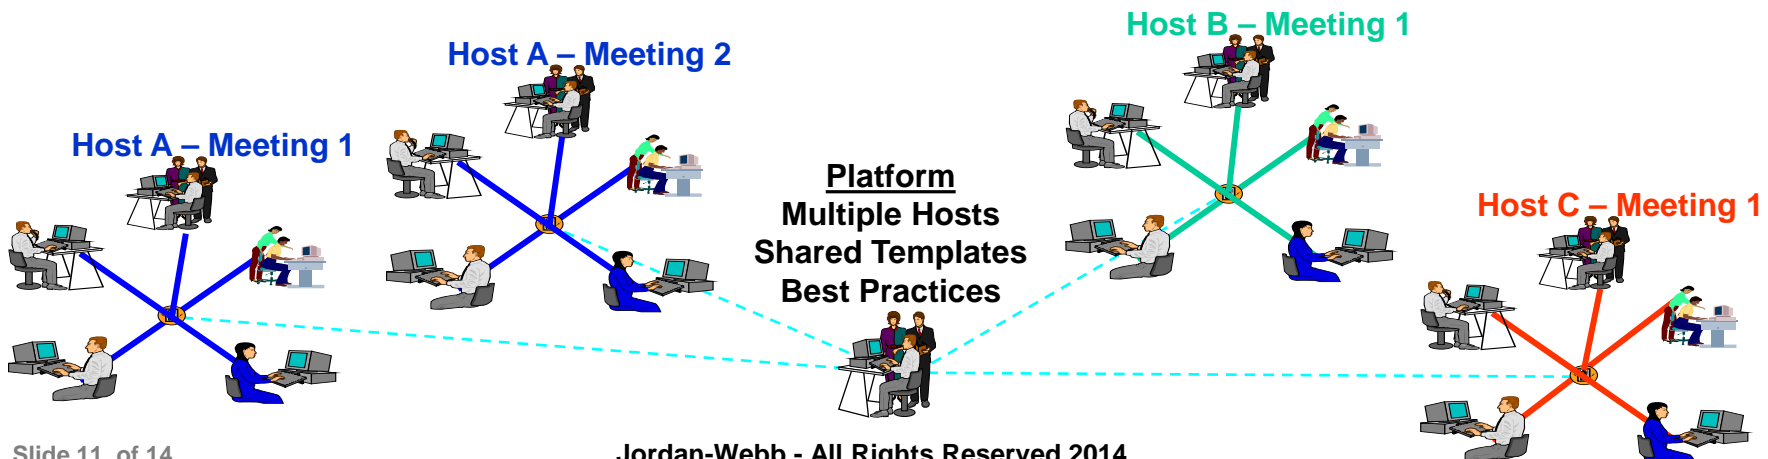

- ▶ **On-Premises Enterprise Server – Multiple Host Subscriptions**
 - ▶ Enterprise Class functionality and Scalability
 - ▶ Subscription for multiple Hosts (Volume Discounts)
 - ▶ Unlimited Number of Meetings
 - ▶ Unlimited Number of Participants
- ▶ Subscription for MeetingSphere Platform
 - ▶ Collaborative features Between Hosts, Custom Branding, Best Practice Management
 - ▶ LDAP integration for user database, dedicated web application & database
 - ▶ On-Site dedicated server, update & backup schedule control, internet and intranet connections
 - ▶ Choice of OS, DBMS, hardware, virtualization, network settings, etc.
